

EVERY GIFT COUNTS

IVANHOE GRAMMAR SCHOOL
ANNUAL APPEAL 2017

GIFTS ARE LIFE CHANGING

Thank you for the opportunities that you have given to me through my scholarship.

I now have the confidence and ambition to strive for my goals, both personally and professionally, and have developed a great sense of who I am. This is in no small part attributed to the nurturing and personal and academic development I gained through my years at Ivanhoe Grammar School.

The experiences I have enjoyed through my Ivanhoe scholarship have been amazing, thank you very much.

Montana Vaisey

Class of 2013 Buckley Scholarship recipient, studying Law and International Studies at Deakin University

EVERY GIFT GOES A LONG WAY

It's true. It doesn't take much.

Just see how a small gift, like the cost of a single coffee each week quickly adds up!

x 
6000 School Community Members

= \$936,000!

SUPPORT STUDENT LEARNING

Gifts to the Library support the academic heart of the School. Students who have access to a wide variety of reading materials tend to read more and read well.

All gifts to the library of \$150 or more will be recognised with a book plate.

Did you know that

66,000

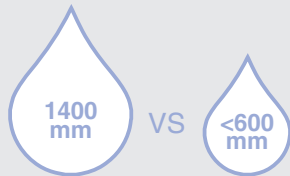

library books are borrowed across the School each year?

SUPPORT CAMBODIA

Gifts to the School's Cambodian Service project will go towards enhancing and weather-proofing the playground area of the village school in Peak Sneng.

Ivanhoe has been working with and assisting this village for more than 10 years.

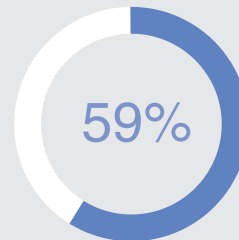

Did you know that Cambodia's average annual rainfall is 1400mm! That's more than double Australia's average. Playgrounds in Cambodia get very wet and muddy for children and with your help we can fix this!

SUPPORT SCHOLARSHIPS

Gifts to scholarships allow you to invest in talented and deserving students who could not otherwise consider an Ivanhoe education.

Empowered by an Ivanhoe education, these young boys and girls have the opportunity to influence, serve and lead positive change.

59% of those who gave to the School in 2016 directed their gift to scholarships.

On behalf of our grateful students, thank you!

SUPPORT CAPITAL WORKS

Gifts to capital works enable the School to expand and develop its buildings, equipment and facilities as 21st century learning benefits from 21st century facilities. With your help we can ensure our facilities are first class for our students.

Each campus has been supported and enhanced through Annual Appeals since 1984!

THANK YOU

Thank you to everyone who will help make a difference through this Annual Appeal in 2017.

We appreciate your support, as every gift counts.
