Take the opportunity to invest in the next 100 YEARS

Centenary Alumni Annual Appeal
Since our founding in 1915, scholarships have been a consistent part of the Ivanhoe story. Our first Headmaster Reverend Sydney Buckley inspired many students with his invitation and philanthropic support to “come and join Ivanhoe” regardless of their circumstances.

Over the past 20 years the financial pressure on families to educate their children has grown enormously due to the significantly rising cost of education. School fees are now a much higher proportion of a family’s expenditure with both parents working in many cases. Without significant financial support, many talented students are not able to consider Ivanhoe for their education.

At Ivanhoe we aim to attract and support the best students from a range of backgrounds regardless of their means. Ivanhoe is a school built on service and aims to nurture able students of character. With your help we can provide the scholarship funds required to enable the most deserving and talented students to come to Ivanhoe regardless of their capacity to pay school fees.

By supporting students through scholarships, you make an investment in young peoples who, empowered by an Ivanhoe education, will influence, serve and lead positive change.

Our challenge...
Giving this year will...

• Be a part of helping to make someone an OIG by supporting and growing the Buckley Scholarship

• Provide future students with access to an Ivanhoe education

• Celebrate and recognise the School’s Centenary in a meaningful and practical way

• Provide young people with the same opportunities we enjoyed

• Make a lasting gift

“I would not have been able to attend such a good school without the opportunity I was given through a scholarship. I would like to contribute great things to the community.”

- Past student (’14)
You can also support...

THE FOUNDERS’ STAINED GLASS WINDOW IN THE NEW CHAPEL AT PLENTY CAMPUS

Your gift will ensure that the memory of the Reverend Sydney Buckley will be continued via the commissioned stained glass window in our new Plenty Chapel. A plaque thanking past student donors will be placed below this stained glass window.

LIBRARY AND RESOURCES

Your gift will allow our Libraries and Resource Centre at each campus to maintain the high quality of research and reading materials which form a central part of each student’s academic education.
All gifts over $2 are tax deductible and have a positive impact on Ivanhoe students.
Thank you…
for your special support in our Centenary year.

Online Giving…
This year you can also make your tax deductible gift online using our secure site: www.ivanhoe.com.au/donate
