1. **APPLICATION FOR ENROLMENT**

1.1. The School enrolls overseas students at all Primary and Secondary levels.

1.2. While application is a pre-requisite to admission, it is not a guarantee of admission and the School reserves the right to offer a place to any applicant irrespective of the date of the application.

1.3. Application must be made on the School’s official application form.

1.4. A Registration Fee and an Extract of Birth Entry (or similar documentary evidence of date of birth) must accompany each application.

1.5. The Registration Fee is a non-refundable charge.

2. **ADMISSION**

2.1. Admission to the School is conditional upon the Principal being satisfied as to the suitability of the applicant.

2.2. The offer of a place may be made only after the student has sat an entrance test with an overseas testing service approved by the School, the cost of which shall be borne by the parents.

2.3. A place is accepted by signing and returning the International Student Agreement Acceptance Form, and the payment of the monies as detailed in the International Student Agreement.

2.4. If the enrolment does not proceed, except in exceptional circumstances, the Capital Levy will be retained by the School.

2.5. For students entering the School at the beginning of a year, a sum of money being not less than half and preferably the full amount of the Annual Tuition Fee will be payable in advance pursuant to the offer of a place being made by such date as is notified in writing by the Director of Ivanhoe International, as a condition of admission. The making of this payment is also a condition for the issue of a Confirmation of Enrolment (eCoE).

2.6. For students entering the School in the course of a year, a sum of money being not less than half and preferably the full amount of the Annual Tuition Fee will still be payable in advance pursuant to the offer of a place being made by such date as is notified in writing by the Director of Ivanhoe International, as a condition of admission. The making of this payment is also a condition for the issue of a Confirmation of Enrolment (eCoE). However, upon commencement, the Tuition Fee for the half of the year in which the student commences will be calculated on a pro rata basis and that amount deducted from the sum paid in advance, following which the balance thereof will be applied as a credit towards the tuition fees for the next billing period.

2.7. Any amount paid under 2.5 or 2.6 will be credited to the initial account as Fees in Advance. Should there be an increase in fees between making such payment and the admission of the student to the School, the amount representing the difference will be debited against the Fees in Advance.

2.8. Should a student, for whom a place at the School has been accepted and a deposit paid, subsequently be withdrawn from enrolment for some reason, excepting those which are beyond the parents’ control, any amounts paid under 2.5 and 2.6 will be refunded, as follows:

- Where notice of withdrawal is received within 15 days of the initial payment being made: refund in full;
- Receipt of notice 16-30 days after initial payment: 75% refund;
- Receipt of notice 31-45 days after initial payment: 50%;
- Receipt of notice 46-60 days after initial payment: 25% refund.
- Receipt of notice more than 60 days after initial payment: no refund.

Refunds as stated above will be made within four weeks of notice of withdrawal.

If for any reason the School defaults, refunds will be made within two weeks of application.

The International Student Agreement does not remove the right to take further action under Australia’s consumer protection laws.

Dispute resolution processes do not circumscribe the student’s right to pursue other legal remedies.

3. **ACCOMMODATION**

3.1. Overseas students are required to obtain private accommodation approved by the School.

3.2. Private accommodation must provide the student with the security of a properly regulated home life. The School will not agree to students, irrespective of age, living alone in flats or houses, or sharing flats or houses with other students, without adult supervision.

3.3. The School is able to assist students to find suitable homestay accommodation.

4. **GUARDIANSHIP**

4.1. The School considers it important that each international student should have a guardian, preferably in Melbourne, and appointed by and known to the parents, to provide personal and practical support outside the school environment. If possible, the Guardian should also be personally known to the student, and ideally could also provide accommodation. The Guardian would be expected to take a personal and parental interest in all aspects of the student’s welfare.

4.2. Where families are unable to nominate a suitable guardian, the School requires that a paid professional guardian be appointed. Parents are required to select a guardianship service from the options provided by the School during the enrolment process.

5. **CONTINUED ENROLMENT**

5.1. Subject to paragraphs 7, 11, 12 and 13, a student admitted to the School will remain enrolled as a member of the School until the completion of Term 4 of Year 12.

5.2. The failure for any reason of the School, the Board of Governors or Principal to exercise any right reserved in this Notice or the allowing of any time for compliance shall not be taken as a waiver of such right and no estoppel shall arise therefrom.

6. **CAPITAL LEVY**

6.1. Each family is required to pay a Capital Levy upon acceptance of a place and prior to entry at Ivanhoe Grammar School. The Levy is non-refundable and is charged on a per student basis. A sibling discount is available.

7. **TUITION FEES AND ACCOUNTS**

7.1. The Board reserves the right to determine, at its discretion, the level of fees and charges. Fees and charges are subject to increase without notice. The Board publishes an Annual Tuition Fee Schedule in October for the following year. One half of the annual tuition is charged twice a year.

7.2. Accounts for tuition in any given year are payable in advance in February and July. Progress accounts for fees in advance may be rendered.

7.3. Provision is available to make advance payment of future tuition fees for periods longer than twelve months. Enquiries regarding this facility should be directed to the Business Manager.
7.4. All fees and charges made by the School are payable by
the parents or guardian/s of an enrolled student within
fourteen (14) days of rendering the accounts.

7.5. An account outstanding by the due date will be charged
a Late Fee at the rate specified in the Schedule of Fees
as amended from time to time, together with any costs
incurred relating to recovery of outstanding fees.

7.6. No student will be permitted to enter a new year while
any part of the fees or charges for the previous year
remain unpaid, unless the Board of Governors expressly
agrees in writing to modify this condition in a particular
case. Any such agreement will not absolve liability for
fees or charges outstanding, either in whole or in part,
unless so stated. Issues relating to the payment of fees
should be referred to the Business Manager.

7.7. Students admitted to the School during a year will be
charged tuition fees on a pro rata basis for that year.

7.8. No reduction is made on an account for student
absences of less than one (1) full term as the expense
incurred in maintaining the costs of the School is not
lessened by the temporary absence of individual
students. For absences of one full term or more, a
charge per term will apply.

7.9. If a student is withdrawn at the insistence of the School,
the parent/s or guardian/s is/are liable for all School
fees and charges to the date of notification of the
student’s enrolment at the School being terminated.
Withdrawal of a student for any other reason is subject to
a term’s written notice as set out below.

7.10. The Business Manager is authorised by the Board of
Governors to take such action as deemed necessary to
recover unpaid fees or charges, including costs of
recovery.

8. SIBLING DISCOUNT

8.1. A sibling discount for tuition fees of 5% for the
second and 10% for the third and subsequent
children in the family applies to all students who
commenced from 2000.

8.2. A sibling discount does not apply when a student in
the family is in receipt of bursary or scholarship
benefits.

9. COMPOSITE FEE

9.1. The Composite fee covers compulsory extra charges
applicable to a particular year level and is charged in
two instalments in February and July. The fee includes
year level educational camps, compulsory excursions
and incursions, the technology levy, computer software,
the supply of some duplicated materials, the issue of
the School diary, the Student ID card, The Ivanarian
magazine and accident insurance protection.

9.2. The Composite fee excludes all non-compulsory
items such as specific Round Square
camps/conferences, music camps, any specific
additional IB program costs, cadet camps, sporting
tours and optional co-curricular activities.

10. ANNUAL ADMINISTRATION FEE

10.1. Each overseas student is charged an annual
Administration Fee at the rate specified in the
Schedule of Fees as amended from time to time. The
Administration Fee is debited to the account at the
beginning of Term One each year.

10.2. An overseas student starting at the School after
the beginning of Term One will be charged the full
amount of the Fee at the time of commencement.

10.3. The Administrative Fee is a non-refundable charge.

11. DISCIPLINE OF STUDENTS

11.1. The School reserves the right to discipline any student.

A student may be suspended or expelled, if in the
opinion of the Principal, the student is guilty of
breaking the School’s rules or standing orders, or is
guilty of behaviour prejudicial to the welfare of the
School, its staff or students.

11.2. When the Principal suspends a student, the parent/s
or guardian/s shall be notified to that effect and of
the duration of the suspension. A student who has
been suspended shall not enter upon any of the
School grounds for any purpose during the period of
suspension without the express permission of the
Principal and shall be the sole responsibility of
his/her parent/s or guardian/s during such period.
Suspension shall debar a student from any
entitlement expressed or implied to sit for public or
any other examinations conducted by or at the
School.

11.3. If, in the opinion of the Principal, it is in the interests
of the School, its staff or students that a student
should no longer remain enrolled, the student’s
name shall be removed from the School Roll. The
student shall be debarred from attendance at the
School for any purpose, and the Principal shall notify
the parent/s or guardian/s to that effect. Any
student so expelled shall not thereafter enter upon
the School grounds or have any entitlements of the
school grounds for any purpose during the period of
suspension without the express permission of the
Principal and shall be the sole responsibility of
his/her parent/s or guardian/s during such period.
Suspension shall debar a student from any
entitlement expressed or implied to sit for public or
any other examinations conducted by or at the
School.

11.4. The attention of parents and guardians is drawn to
the rules contained in the School Handbook.

12. ATTENDANCE

12.1. Students returning to the School after holidays must
join their classes on the dates fixed for resuming.

12.2. Students are not permitted to leave School at the end
of term until the published closing date.

12.3. A student who fails to join a class by or leaves before
the date stipulated unless such absence is approved
in writing by the Principal (or delegate) or due to
illness notified according to the Handbook, may
jeopardise entitlement to continued enrolment in the
School.

13. WITHDRAWAL OF STUDENT

13.1. Four months’ notice in writing to the Principal is
required prior to any student leaving the School.
Such notice must be received before the first day
of the Student’s last term, otherwise a term’s fees
will be charged. If a student leaves during a term
without the appropriate notice, no refund will be
made for the remaining portion of the term.

14. CANCELLATION POLICY FOR OUTDOOR
EDUCATION

14.1. The Outdoor Education and Adventure Program is
compulsory and attendance is mandatory.
However, non-attendance in exceptional
circumstances may be appropriate. Non-
attendance requires at least 11 working days’
notice in writing to the Head of Campus and the
Director of Outdoor Education and Adventure. A
doctor’s certificate is required by the School when
the reason for non-attendance is medical. Where a
full or pro-rata refund of the Annual Cost is
authorized by the Head of Campus and the
Director of Outdoor Education and Adventure, the
refund will be credited to the School fee account
after the event. No refund will granted where the
appropriate notice or a suitable reason has not
been given.
