SCHOLARSHIPS

Details of the Scholarship Program are available from the Registrar.

TUITION FEES IN ADVANCE

The payment of one tuition fee instalment in advance applies to all new students entering the School. In normal circumstances this fee is payable in October prior to commencement. For enrolments finalised after October, the fee is payable immediately.

As a consequence of this advance tuition fee payment being made, no fee billing is made in the October of the student's final year.

EARLY COMMENCEMENT PROGRAM

Students in Years 8 to 12 begin their academic year in midNovember. There is no tuition fee adjustment associated with this program.

NOTEBOOK COMPUTER PROGRAM

The School requires all students to have an iPad in Years 4 to 6 and Notebook computers in Years 7 to 12.

COMPOSITE FEE

The composite fees cover extra charges applicable with respect to compulsory activities and resources to a particular year level, including year level educational camps, compulsory excursions and incursions, technology levy, Year 4-9 Notebook Computer Program, the supply of some bookroom materials, School photographs, Cadet Unit and co-curricular programs, Year 12 jumper and Valedictory and accident insurance protection.

Composite fee refunds only apply when the School cancels an event. Expenses incurred when a student is returned home as a result of a student management action.

The composite fee excludes all non-compulsory items such as specific Round Square camps/conferences, music camps, any specific additional IB program costs, sporting tours and optional curricular and co-curricular activities.

LATE FEE

A late fee of \$150 per student per instalment is charged when tuition fees are not paid by the due date.

METHOD OF PAYMENT

Registration fee and capital levy payments can be made by cash, cheque or credit card. School fees and all other account payments can be made online, by cheque, credit card or B-Pay. Credit card payments of School fee accounts not processed online incur an additional 1% surcharge (inc GST).
